

SOFTNESS YOU FEEL

STRENGTH YOU TRUST

BECAUSE YOU DESERVE BOTH

VEFA GLOBAL PAZARLAMA SANAYİ VE TİCARET LİMİTED ŞİRKETİ

We create hygiene products that bring comfort, safety, and confidence to everyday life. Our range includes baby and adult diapers, pants, pads, underpads, and wet wipes — all developed with modern technology, strict quality control, and a human touch.

Mission

To deliver safe, high-quality, and affordable hygiene solutions that support families at every stage of life.

Vision

To grow strong brands across Turkey, Europe, the Middle East, Africa, Asia, North and South America, and the Far East, by combining innovation with consumer care.

Quality

Every product is carefully checked to meet the highest standards, because our work touches what matters most — children, parents, and loved ones.

Soft & Power is more than products — it is trust, partnership, and daily care for millions.

Soft&Power Lady — Ultra Thin Sanitary Pads

- ✓ **Ultra Thin & Comfortable** — Designed for discreet, light, and comfortable daily use.
- ✓ **4x Protection** — Superior absorption, dryness, odor control, and skin protection.
- ✓ **Dermatologically Tested** — Gentle and safe for sensitive skin.
- ✓ **Secure Fit** — Flexible design adapts perfectly to body movements for reliable protection.
- ✓ **Day & Night Variants** — Available in different options for round-the-clock comfort and confidence.

Sanitary Pads

Ultra-Thin, Maximum Protection

Soft & Power sanitary pads are ultra-thin yet super absorbent. The soft cotton surface keeps skin dry, while flexible wings provide a perfect fit.

- Day: Invisible under clothes, perfect for daily activities.
- Night: Extra length and absorbency for leak-free nights.

Soft&Power — Bladder Pads

- ✓ **Full Leakage Protection**
Secure barrier and edge elastics provide full protection against leaks.
- ✓ **Stay-in-Place Adhesive**
Wide adhesive tape ensures the pad stays securely in place and does not slip from underwear.
- ✓ **Anatomical Design**
Specially shaped to fit the body comfortably and discreetly.
- ✓ **Fast Absorbency & High Dryness**
Rapid absorption keeps the surface dry, providing maximum comfort and confidence.
- ✓ **Dermatologically Tested**
Safe, gentle, and skin-friendly.

Bladder Control Pads Maternity Pads

Ultra-absorbent and breathable, these pads are perfect for bladder control or maternity needs. Their soft cotton-like surface and discreet thin design ensure comfort and security anytime, anywhere. Suitable for both men and women.

Soft&Power Adult Diapers

- ✓ **Extra Dryness Layer**
An additional dryness layer ensures long-lasting comfort and protection.
- ✓ **Leakproof Barriers**
Reliable barriers prevent leakage and keep the skin protected from moisture, even during movement.
- ✓ **Textile Backsheet**
A soft, breathable textile-like surface that feels like cotton and cares for the skin.
- ✓ **Multiple Use Side Tapes**
Refastenable side tapes allow easy adjustment and secure fit without losing grip quality.
- ✓ **Super Absorbent Particles**
Ultra-absorbent particles lock in liquid instantly, neutralize odor, and guarantee dryness.
- ✓ **Wetness Indicator**
A wetness indicator shows the right time for a change, making care more convenient and hygienic.

Adult Diapers

Comfort, Protection, Confidence

Designed for adults in need of extra care, Soft & Power diapers combine high absorbency with breathable softness. Their ergonomic design with resealable side tapes offers comfort, freedom of movement, and reliable leakage protection — day and night.

Soft&Power — Adult Pants

- ✓ **Super Absorbent Particles**
Ultra-absorbent particles instantly lock in liquid, control odor, and keep you dry.
- ✓ **Extra Dryness Layer**
Provides long-lasting dryness and all-day comfort.
- ✓ **Leakproof Barriers**
Secure protection against leakage, ensuring peace of mind during movement.
- ✓ **Breathable Waist Area**
Air-permeable waistband for better airflow and skin comfort.
- ✓ **Cottony Backsheet**
Soft, textile-like outer layer for a natural cotton feel.
- ✓ **Suitable for Sensitive Skins**
Gentle materials designed to protect delicate skin.
- ✓ **Wetness Indicator**
A clear indicator shows when it's time for a change.

Adult Diaper Pants

Ultra-comfortable, breathable, and easy to wear like regular underwear.

Provides maximum absorbency and reliable leak protection. With odor control and extra safety barriers for all-day freshness and confidence.

Soft&Power — Underpads

- ✓ **Silky Top Sheet**
Soft and silky surface for maximum comfort and skin-friendliness.
- ✓ **Super Absorbent Particles**
Effectively lock in liquid, keeping the surface dry and odor-free.
- ✓ **Liquid Proof Backsheet**
Waterproof outer layer for reliable protection of beds and surfaces.

Adult Diaper Pants

Ultra Underpad

Provides effective protection for both the user and the bed against leaks. With its 60x90 cm absorbing top layer and liquid-proof bottom layer, it ensures hygiene, comfort, and safety. Ideal for use in hospitals, care centers, or at home.

Body Cleaning Towel

Gentle and effective care for the whole body. Enriched with Vitamin E and Provitamin B5, these towels clean, refresh, and soften the skin. Suitable for daily use on neck, body, arms, legs, and sensitive areas

- Large, soft, and practical for complete body hygiene
- Ideal for home, hospital, or travel use
- Alcohol and paraben free

Soft&Power — Body Cleaning Towels

For Everyday Personal Hygiene

- Takes Care — Gentle formula designed for daily skin care.
- Cleanses — Effectively refreshes and removes impurities.
- Protects — Nourishes and shields the skin.

Dermatologically Friendly:

- Alcohol Free — Gentle on skin, no irritation.
- Paraben Free — Safe for everyday use.
- Enriched with Vitamin E & Pro-Vitamin B5. Moisturizes and soothes the skin.

Thank you for choosing Soft&Power!
We create products that make caring for your loved ones even easier and more enjoyable.
